**RESPONSIBILITY OF ATTORNEYS**

Notwithstanding the fact that counsel is acting as agent for a disclosed principal, the attorney's client, in consideration of the arbitrator setting aside time to arbitrate this dispute without requiring prepayment of fees, each party's attorney, if any, undertakes also to be responsible for timely delivery of that party's fees.

**TRAVEL EXPENSES**

Significant travel expenses (e.g., air travel, rental car, meals and lodging, when the engagement requires), will be discussed and prepayment arrangements made with the parties, at least two weeks prior to commencement of the first day of hearing.

**PREHEARING/STUDY/DELIBERATION TIME (if applicable)**

We charge for all time spent in connection with the matter, including, without limitation, the time involved in prehearing conferences, decisions on prehearing motions/issues, and post-hearing study, deliberation, and award-drafting/revision, at our regular rate of \$250.00 per hour.

**CANCELLATION POLICY**

Notice of cancellation or postponement of a scheduled Arbitration Hearing must be *received* at least 10 full business days (excluding intervening weekends or federal holidays) prior to the scheduled commencement of the arbitration hearing. Absent such timely notification, the parties will be billed their *pro rata* shares of the cancellation/postponement fee as stated above plus the *pro rata* share of travel expenses incurred, deposits or prepayments, deliberation time spent, postage, etc. e.g., airline change fees or penalties (if applicable)

*\* Fees as stated apply unless court order, agency order, or published panel/roster rates dictate different rate, in which case that rate governs.*
